Iowa's Health Care Quality Agenda

Tim Gutshall, MD

Join Tim Gutshall, of the Iowa Foundation for Medical Care, to discuss what lies ahead for Iowa's health care quality initiatives.

Medical staff, board of directors and staff members are encouraged to attend this informative discussion. Other topics covered will include:

- Evidence based standards of care
- The impact leadership/frontline staff and culture have on the quality and efficiency of patient care
- The Physician Quality Reporting Initiative
- The four interconnected cornerstones of a value-driven healthcare system
